1	<p>Clause 2.2 (page 7 of the RFP document) states that " The Applicant shall submit their applications only <u>either for organizing fair & festivals at State Level OR National Level.</u>" In this regard, we request you to permit Applicants to be considered for organizing fair and festivals at both levels; i.e. "<u>...be considered for organizing fairs & festivals at State level AS WELL AS at the National Level</u>".</p>	<p>Clause 2.2 (page 7 of the RFP document) states that "The Applicant shall submit their applications only <u>either for organizing fair & festivals at State Level OR National Level.</u>" In this regard, we request you to permit Applicants to be considered for organizing fair and festivals at both levels; i.e. "<u>...be considered for organizing fairs & festivals at State level AS WELL AS at the National Level</u>".</p> <p>We believe such a relaxation in the clause will be in your interest because, any agency partner you eventually choose to organize such events will have the expertise and capability to organize them at both levels; i.e. the STATE LEVEL as well as at the NATIONAL LEVEL. By consolidating your partnership with one agency, you will also be able to drive synergies. We hope you will see the merits of dropping this clause in the view of this and relax this clause. We look forward to your confirmation in this matter.</p> <p>Why can't an agency participate in both the categories?</p>	<p>Please refer Corrigendum - I</p>
