About the Department

The State of Jharkhand is endowed with immense bio-diversity, moderate climate, rich cultural and historical heritage, religious places of worship and ethnic aspects to make the State the ultimate destination for tourists. The State Government has a firm belief that development of tourism sector would not only generate immense employment opportunities – directly or indirectly – but also would contribute in accelerated economic development. This would not only ensure showcasing of rich traditional and cultural heritage of the State but also would have cascading effect in development of other sectors. Rightfully, the State Government has accorded **TOURISM THE STATUS OF INDUSTRY** in Jharkhand.

It is felt that to ensure rapid development in tourism sector, there is a need to develop tourist circuits and destinations providing various amenities, both way-side and at different destination points, supporting the tourists by providing conveyance, lodging and other pre-requisites, etc.

Involvement of private sector, villagers and other stake holders as partners in promotion and development of tourism industry of the State is an important
